

Spark their interest in science, with an excursion to Powerworks

Powerworks explores the miracle of power with exhibits on the history of electricity and how it's produced. An excursion to Powerworks includes tours of a real power plant and a brown coal mine.

And when you travel to Morwell with V/Line's My Train program, the first 20 children and 4 adults travel free. Our services depart hourly from Melbourne and connecting coaches will meet your group at the station. Book your excursion in two simple steps:

- Step 1: Call V/Line Group Bookings to check timetables, fares and availability on 03 9619 2338 or visit www.vline.com.au/mytrain
- Step 2: Call Powerworks to book your excursion group and coach transfer on 03 5135 3415, or visit www.powerworks.com.au for details.
