

# Accessibility Action Plan

2025 – 2028

# About Easy Read

This is an Easy Read book.

Easy Read uses pictures to explain ideas.

New words are **bold and purple**.

We tell you what new words mean.

Easy Read includes key information.

Get more information on our website  
[www.vline.com.au](http://www.vline.com.au)

# About this book

This book explains our Accessibility Action Plan. We call it **our plan**.

Our plan says how we will meet the access needs of our

- passengers

- staff

- community.

Our plan goes from 2025 to 2028.

# About us

V/Line delivers public transport to **regional Victoria**.

Regional Victoria includes places in the country. For example

- Bendigo

- Geelong.

We started over 40 years ago in 1983.

We are always improving to give passengers the best services we can.

# Making our plan

We made our plan using

- passenger feedback

- staff ideas

- our **Accessibility Reference Group**.

Our Accessibility Reference Group includes people with disability.

Our Accessibility Reference Group helps us make things accessible.

# Our plan has 4 parts

1. Our passengers

2. Our people

3. Our network

4. Our community

We will explain what each part means.

# 1. Our passengers

We will keep making the passenger journey more **accessible**.

Accessible means our services meet the needs of people with disabilities.

Our staff will be friendly and helpful to all passengers.

We will give passengers information they can read and understand.

Our services will be safe.

Our services will be accessible.

We will work with **Travellers Aid**.

Travellers Aid helps people with access needs at train stations. For example

- wheelchair and equipment hire

- **travel companions.**

Travel companions help passengers use public transport.

## 2. Our people

**Our people** are the staff who work at V/Line. For example, station officers.

We will train our staff.

Training will help staff learn about disability and accessibility.

We will make sure staff have tools and helpful information to guide their work.

We will help disabled people to work at V/Line.

# 3. Our network

Our network describes how things work together at our company.

We will write clearer **processes**.

Processes explain how things are done.

We will write clearer guidelines about accessibility.

We will support new projects that make our network more accessible.

# 4. Our community

Our community includes the people who live in Victoria.

We will run events to show the community what we do.

We will share information in more ways with our community.

We will share reports and plans in accessible formats online.

We will keep working to make our stations more accessible.

We will have Accessibility Reference Group meetings every 2 months.

We will work with other public transport organisations to

- learn together

- explore new ideas to meet the needs of our community.
